## SKILL

## ABOUT ME

Hi, I'm Ni Made Novalia Yordan Theofani or usually called Nova. I am 21 years old. I am a student from Stikom Bali University, majoring in Information Systems and I am also a student from Lithan EduclasS majoring in Digital System Administration. I am a graduate of Software Engineering when I was in high school.

Apart from that, I also learned photo or video editing because my hobbies are photography and videography
