

NI MADE NOVALIA YORDAN THEOFANI

Denpasar, Indonesia | +62 82145238942 | yordantheofani@gmail.com

OBJECTIVE

To leverage my skills, knowledge and experience as a Web Developer, Cloud Engineer and Editor, to contribute to leading companies. Seeking for a challenging role that will allow me to utilize my programming, cloud computing and editing skills while continuing to learn and growing professionally. I am motivated by a strong desire to continuously learn, adapt to new technologies and collaborate with diverse teams to solve complex problems. Committed to delivering high quality work, driving business success and exceeding client expectations, making a meaningful impact, and delivering outstanding results to move the company forward.
